Business Membership Application Business Supporting Application

Deadline July 16th, 2010

This application is for all businesses, organizations or governments that have a financial interest in a sound and growing tourism economy in our area. This interest may be directly related to tourism, such as an attraction, or indirectly, such as vendors, suppliers, professional services or other services supporting the tourism industry or the tourism industry's infrastructure.

Memberships may either be a full voting membership with all of its benefits or a limited non-voting membership in the HLVCB. Please review our "Membership Benefits" brochure or call Linda Clifford, Executive Director, at 715-634-4801 for information on benefits. You may also call 1-800-72-HAYWARD.

Our goal is to have all of the tourism related businesses in Sawyer County become a member of the HLVCB, as well as a member of their local lake association, professional association or chamber of commerce that partner with the HLVCB. Our dues and advertising costs reflect discounts to encourage dual membership.

Full Benefit Voting Membership Business Member

This membership gives your business the full benefits of the HLVCB and a full vote. Being a full member of the VCB and/or being a full member of a marketing partner with the VCB, are the only avenues to purchase advertising in the HLVCB Guide.

Included with your membership, your business will be given: one listing in the directory and one graph list (if relevant) of the HLVCB Guide; and in the "haywardlakes.com" web site directory. As a full member, you may purchase additional listings in these directories and additional graph listing in the Guide at the lowest rate. You may purchase a link and banner ad and other promotions on the "haywardlakes.com" web site at the lowest rate. Your business will be included in the HLVCB staff tours of member facilities throughout Sawyer County. Referrals will be given to member businesses and marketing partner members only as inquiries come in on the phone, internet or in person at the HLVCB.

Your business is entitled to a copy of the HLVCB current marketing plan. As opportunities come up for co-op ads, etc., you will be invited to participate. You may attend and vote at meetings; participate on committees and in all educational opportunities of the HLVCB. You will receive a monthly newsletter and copies of all minutes.

Questions? Stop in at our office, call us or e-mail us. We can discuss your membership options at your place or ours. Hope to hear from you soon.

Full Benefit Business Member of HLVCB Plus A Full Member of A Marketing Partner with HLVCB

"OUR IDEAL MEMBER"

Making the Most of Your Membership

Our Ideal Members truly believe in the economics of a strong community. With dual membership, they belong to the HLVCB and our dedication to the ongoing promotion of Sawyer County. They are also supporting their own network by belonging and supporting a marketing partner that closely relates to their own goals and passions for their own business in their own neighborhood or profession. This may be a lake association, professional association or a chamber that partners with the HLVCB.

This member gets the lowest price on everything the HLVCB does, usually savings that will easily pay for their membership to their marketing partner or the HLVCB.

This entitles the member the opportunity to get the lowest price on all advertising, lowest pricing on web links, web banners; and the opportunity to place their ads in any relevant section of the HLVCB Guide, meeting the criteria/requirements of that section at the lowest discounted price.

The Marketing Partners of the HLVCB are:

CHAMBERS:

Hayward Area, Stone Lake, Winter, Cable,
Birchwood Area Chamber of Commerce

RESORT ASSN:

Lake Chippewa, Quiet Lakes,
Moose Lake and Nelson Lake

Limited Non-Voting Membership Business Supporting Member / \$50 per year
