Marketing Partner Design

The HLVCB was designed to get our strength in numbers, through memberships directly with the HLVCB and/or through memberships given to the HLVCB's marketing partners' members. The benefits you and your members get from the HLVCB are designed to make YOUR group stronger through increased membership in YOUR group. We believe if you are strong, we, as your partner, will become stronger. Dues are structured to encourage all the tourism related businesses, lodging and non-lodging, to belong to the HLVCB and at least one of our marketing partners. Advertising is discounted for our marketing partners. Advertising and dues are discounted for our marketing partner's members. Even the smallest business may get a non-voting membership directly with the HLVCB for just \$50/year or they may become a member through a group they may already belong to that becomes a marketing partner of the HLVCB for no additional money.

We want to help you be successful, which will help us be successful, which will ultimately make all of us winners.
